### The Scribe and Ten of Wands

*With the wisdom of The Scribe and Ten of Wands this week being all about keeping records, instead of having a new ritual to do, below is a ritual-tracking worksheet. Use it to take quick notes of all your ritual experiences.*

Ritual start time:

Ritual location:

What was I wearing:

How I opened the space:

Color of candle(s) (if I used one/some):

Scent(s) present (candle, oils, or incense):

Sounds present (chime, drumming, rattling):

Ritual end time:

Notes on what transpired during the ritual. What thoughts, images, feelings, or messages came through?
